

**Terms of Reference and Membership for the Steering Group of the
International Stem Cell Banking Initiative (ISCBI)**

It was agreed by ISCBI members in June 2014 that ISCBI should be led by a steering group whose terms of reference would be:

- To invite and review applications for membership, cell qualification and training proposals for endorsement by ISCBI membership
- Draft criteria for acceptability for ISCBI endorsement
- Assist in organisation and fund raising for meetings and training
- Issue regular updates to members

The Steering Group comprises ISCBI members who join the Steering Group on the understanding that they or a deputy, attend the 3-monthly conference calls and agree to share responsibilities and tasks for certain ISCBI activities.

The current list of Steering Group members are as follows:
